With Thanksgiving upon us, it is good to be reminded that we, as believers, are called to be thankful. The Apostle Paul tells us in 1 Thessalonians 5:18, "In all circumstances give thanks, for this is the will of God for you in Christ Jesus." We have so much to be thankful for this year! Such as another year of God's undeserved love and mercy; a sweet fellowship of believers, daily provision. We are grateful that God has joined all of us together as a Christian family and has positioned us to serve as co-laborers in these challenging times. Apostle and I are wishing you all a happy Thanksgiving season and pray that your time spent with family and friends is filled with love, joy, fellowship and relaxation. We thank each of you for your tireless commitment to the exciting Kingdom work that God has assigned to the Power of God International Ministry. As we reflect on our awesome work accomplished this year, we are excited about the coming new year and what impact God will allow us to have.

Please accept our heartfelt love and gratitude for all that you do. We thank you for joining us on this journey as together we continue to move forward in fulfilling destiny and purpose. Enjoy this season and remember that every day is a day of thanksgiving because God has been awesome beyond words!

Assoc. Pastor Rev Mary Johnson's Desk

Obedience

God's word serves as instruction for righteousness, guiding God's people in doing His will and highlighting the seriousness of disobedience, which brings consequences. A poignant example is King Saul, Israel's first king, who disobeyed God's command to destroy the Amalekites, sparing their king and their best livestock. This disobedience grieved God, leading Him to inform the Prophet Samuel that He regretted making Saul king and ultimately replacing him with David. The lesson emphasizes that "to obey is better than sacrifice," as stated in 1 Samuel 15:24.

Who is Who POGIM

Meet Reverend Mary Johnson

She is an anointed teacher of God's Word, an intercessor, and a passionate supporter of God's people. She has served as a teacher & team leader, providing nutrition counseling for the Women, Infants, and Children's Program at the Osceola Health Department in Poinciana. She is known for her fun-loving nature, she enjoys sharing knowledge and helping others. A fun fact about her is that when she was a young Christian, she would go into a closet and shut the door to pray while fasting, just as instructed in Matthew 6:6
